

Say Goodbye to Common Financial Operation Challenges

The ultimate objective for any CFO is to ensure financial visibility in business with improved profit margins and enhanced monetary control.

- ✔ Stay ahead of accounting and finance data
- ✔ Get accurate project/job revenue recognition
- ✔ Track and account for all change orders and work order
- ✔ Leverage real-time job production analysis
- ✔ Get timely job profitability analysis
- ✔ Improve your cash flow with retention billing reminders

Keep your projects on budget and on time with real time forecasting and accurate earned revenue and profit projections

- Verify that Change Orders are getting billed and not sitting as "Pending"
- See Open Job Purchase Orders as committed costs to open job tasks
- Track the status of Subcontractor's work performed through progress pay apps
- Project Manager's Job Forecast can impact expected revenues & profits

Transform your Construction Business Digitally with Cloud ERP

Greater Business Visibility

With ProjectPro, generate and customize accounting reports easily. It allows you to define the information your organization needs, gain better visibility into the analytics and make timely business decisions and maximize profitability efficiently.

Take Control of Documents

ProjectPro powered by Microsoft Dynamics Business Central gives you greater control of your documents, reducing your risk. Organize, store, and route all versions of RFIs, invoices, drawings, lease agreements, contracts, and more to keep your business moving.

Reduce Project Management Risks

Don't let construction project management problems slow you down. With project management, you can decrease your organization's risk and boost project profitability by quickly pinpointing possible issues before they become big problems.

Take your Construction Accounting to Greater Heights

ProjectPro connects them all—in ways no other solution can. Integrating your business at all levels and solving your construction business challenges, ProjectPro ensures you achieve your financial and productivity goals seamlessly.

“ We've been using ProjectPro for over ten (10) years now and it has helped us to manage our jobs and accounting operations from two locations and still all within one database. We have been able to keep our project costs current and generate our job billings timely.

Janet Beaton
Office Manager, GRIFFIN INSULATION
